

# Application and Administration of Special PE Courses

---

The school has set up special PE courses for students who are unable to take regular PE courses due to illness or pregnancy. These special PE courses allow students to meet their PE credit requirement and enable the school to administer physical education. The application, grouping and guidance management of the special course are described as follows:

- How to apply

- Application period: The first week after the start of each semester.
- Grouping and guidance management
